DIBYA PALLAK SANDHA

Student at Vellore Institute of Technology

Pune/Pimpri-Chinchwad Area

Summary

Passionate and curious first-year Bioengineering student at VIT Bhopal University, with a strong interest in Generative AI and emerging technologies. Enthusiastic about exploring the intersection of biology and technology to create innovative solutions for real-world challenges. Alongside academics, a dedicated dancer who believes in creativity, discipline, and continuous self-expression. Always eager to learn, collaborate, and grow in dynamic environments.

Education

Vellore Institute of Technology

Bachelor of Technology, Bioengineering and Biomedical
Engineering · (2025 - 2029)
